

WHITE HOT EXCLUSIVE!

SHY superstar Rick Astley is turning his back on the bright lights to settle down in a seven-bedroom mansion in his home town.

He has made an offer on the £195,000 house which has a large playroom, fuelling speculation that Rick is about to marry long-time girlfriend Jackie Price.

The home in Hobhey Lane, Newton-le-Willows, Lancs, also has a granny flat and half an acre of garden.

A friend of 22-year-old Rick said: "He realised his heart was in his home town after he collapsed last month and came back to rest."

The estate agents who are handling the deal said: "We are not discussing it."
